DEPARTURE IMPOSSIBLE

1. PURPOSE OF THE COVER

This guarantee does not cover the impossibility of departing due to the failure of the organiser (tour operator, travel agency, airline, etc. and/or the insured company, in the material organisation of the trip).

The "DEPARTURE IMPOSSIBLE" cover covers you if you are unable to make your departure flight to your destination on the scheduled date as a result of the total or partial closure of the departure or arrival airport following a case of force majeure.

It is reiterated that with the exception of the aforementioned exemptions, all the conditions of the main policy, in particular the exclusions, remain applicable in accordance with the terms of the General Conditions.

2. WHAT AMOUNT DO WE COVER?

Transport costs (travel between airport and Home):

We will reimburse you, upon presentation of the original supporting documents and up to the amounts provided for in the Schedule of Cover Amounts, for transport costs returning from the airport to your Home after the official announcement of the cancellation of your flight.

'Transport costs' means the sums paid by you to take one of the following modes of transport: taxi, bus, Paris RER, metro or train.

Expenses resulting from postponement of the trip:

If you are forced to postpone your trip and the organisation selling your trip offers you this option, we will reimburse you for the price variation between the price of the new trip and that of the initial trip, up to the amounts provided for in the Schedule of Cover Amounts.

'Price variation' means the difference in price between the new trip and the postponed trip, excluding visa and application fees.

This cover is granted to you provided that the new trip is identical to the one that was postponed, namely: number of people, service provider, duration, destination, identical services for a tour operator, identical booking class for an airline.

In any case, you must justify the variation between these 2 trips by producing for each of them the invoicing including the details of the services.

Cancellation fees in the specific case of a trip organised around an exceptional event, limited in time to the duration of the stay, and specified at the time of booking, which cannot be postponed, among the following cases in particular:

- attendance of a wedding,
- trip to attend an exceptional event (e.g. World Cup football match, Olympic Games, one-off concert, etc.).

We reimburse you for the costs of cancelling the stay to supplement all or part of the reimbursement of the tour operator. No other costs will be covered.

You must provide proof of the planned event and its exceptional and non-postponable nature outside the dates of the stay.

RETURN IMPOSSIBLE

1. NATURE OF THE COVER

The purpose of this cover is to compensate you for your accommodation costs, meals and necessities, up to the limits indicated in the Schedule of Cover Amounts, which remain payable by you in situations that meet the conditions described below.

2. CONDITIONS OF THE COVER

The "RETURN IMPOSSIBLE" cover covers the absolute impossibility of you leaving the place where you are staying on your initially planned return date for a cause with the characteristics of force majeure and meeting the following cumulative conditions:

- independent of your will, unknown and unforeseeable at the time of your departure,
- outside your control, in particular, not related to your state of health, such as the illness or injury of the Insured Party,
- independent of the failure of the organisations responsible for your return journey (tour operator, travel agency, airline, etc.) and/or the service providers used by these organisations, in the material organisation of the trip or in compliance with their legal obligations towards you,
- independent of striking by the aforementioned bodies responsible for carrying out the Insured Party's trip.

The policy covers any extension of stay resulting directly or indirectly from a Natural Disaster or an act of terrorism, notwithstanding the general exclusions of this policy.

You must prove, when making the Claim, that the above conditions are met.

3. SCOPE OF COVER

We reimburse you for the actual accommodation costs (hotel costs, meals and necessities) up to the following limits:

- the amount indicated in the Schedule of Cover Amounts,
- as long as it is absolutely impossible for you to leave the place where you are staying,
- up to a maximum of 5 consecutive nights.

The amounts are reimbursed upon presentation by you of the original receipts (invoices) for the expenses incurred, of the transport ticket for the return initially planned, and of the original invoice for the trip.

MISSED DEPARTURE/BOARDING

If you miss your boarding for departure of your cruise, for a justified cause beyond your control, except in the event of a change of schedule due to the cruise operator, we will reimburse you for the purchase of an air, train or boat ticket to join the cruise at its next stop up to the amount indicated in the Schedule of Cover Amounts.

1. WHAT WE COVER

We cover, within the limits indicated in the Schedule of Cover Amounts, your luggage, personal belongings and effects outside your Home or your Secondary Residence, against:

In addition, the objects listed above are only covered against theft.

If you use a private car, the risk of theft is covered provided that the luggage and personal effects are kept out of sight in the boot of the locked vehicle. Only break-in is covered.

If the vehicle is parked on a public road, the cover is only valid between 7 a.m. and 10 p.m.

3. WHAT WE EXCLUDE

We reimburse you, on a pro rata temporis basis, up to the amounts indicated in the Schedule of Cover Amounts, for accommodation costs incurred with a cruise operator, already paid for and not used (excluding transport), from the day following the event resulting in the trip interruption, in the following cases:

- following your medical transport/repatriation organised by us, under the conditions defined above in the "TRANSPORT/REPATRIATION" paragraph,

- if a Loss (burglary, fire, water damage) occurs at your Home and your presence is required, and you therefore have to interrupt your trip,
- if a Terrorist Attack or Natural Disaster occurs in your destination during your stay within a 100 km radius of your resort, and you therefore have to interrupt your trip.

2. WHAT AMOUNT DO WE COVER?

The compensation is proportional to the number of unused days of your trip. To determine the compensation, the application, visa, insurance and tip fees, as well as the reimbursements or compensation granted by the cruise operator, will be deducted.

3. REIMBURSEMENT OF UNUSED LEISURE ACTIVITIES IN THE EVENT OF TRIP INTERRUPTION

In addition to the "CRUISE INTERRUPTION" cover, we reimburse you on a pro rata temporis basis for the costs of leisure activities related to the cruise (excursions, activities, etc.) already paid before your departure on the cruise and not used (excluding transport), up to a limit of 3 days and up to the amount indicated in the Schedule of Cover Amounts, if you have to interrupt your cruise for one of the reasons referred to in the "CRUISE INTERRUPTION" cover.

The compensation is calculated on the basis of the total price per person of the activities, evidenced by the original invoices.

Administrative, visa, insurance and tip fees, as well as reimbursements or compensation granted by the organisation from which you purchased your activities, are not taken into account when calculating the compensation.

4. WHAT WE EXCLUDE

In addition to the general exclusions applicable to the policy and appearing in the paragraph "EXCLUSIONS COMMON TO ALL COVER", the following are excluded:

- the consequences of an Epidemic or a Pandemic of any contagious infectious disease or new strains, recognised by the World Health Organization (WHO) or any competent authority in your Home country or in any country you plan to visit or pass through on the trip.

This exclusion does not apply if an Epidemic or Pandemic results in a Serious Illness or the death of an Insured Party, of a family member, of the person responsible for caring for minors or disabled adults for whom you are the legal representative or legal guardian, or of the professional replacement.

POLICY FRAMEWORK

1. EFFECTIVE DATE AND DURATION

The validity period of all cover corresponds to the travel dates indicated on the invoice issued by the travel organiser up to a maximum of 90 consecutive days, with the exception of the “TRAVEL CANCELLATION” cover, which takes effect on the day you take out the policy and expires on the day of your trip departure.

2. WAIVER

Exercise of the right of waiver provided for in Article L.112-10 of the French Insurance Code (HAMON LAW):

Within the context of optional cover, you are asked to verify that you are not already the beneficiary of cover for any of the risks covered by the new policy. If this is the case, you have a right to cancel this policy within 30 (calendar) days of its subscription, free of charges and penalties, if all of the following conditions are met:

- you have taken out this policy for non-professional purposes;
- this policy supplements the purchase of goods or services sold by a supplier;
- the policy you wish to cancel has not been fully executed;
- you have not made any claim under this policy.

In this situation, you may exercise your right to terminate this policy by letter or any other durable medium sent to the insurer of the new policy. The insurer is required to reimburse you for the premium paid within 30 days of your cancellation.

“I, the undersigned, Mr/Mrsresiding atwithdraw from my policy No.taken out with, in accordance with Article L.112-10 of the French Insurance Code. I certify that, to the best of my knowledge, on the date that this letter is sent, no claims have been made under the policy.”

If you wish to cancel your policy but do not meet all of the above conditions, check the cancellation terms set out in your policy.

3. HOW IS THE MATERIAL DAMAGE COVERED BY THE INSURANCE APPRAISED?

If the damage cannot be determined by mutual agreement, it is assessed by means of an amicable and mandatory appraisal, subject to our respective rights.

Each of us chooses our own expert. If these experts disagree with each other, they call on a third expert and all three operate jointly and by a majority of votes.

If one of us fails to appoint an expert or if the two experts fail to agree on the choice of a third expert, the appointment shall be made by the Presiding Judge of the District Court of the place where the Loss occurred. This appointment is made on simple request signed by at least one of us, with the person who has not signed being invited to the appraisal by way of a letter sent by registered post.

Each party shall bear the costs and fees of their expert and, where applicable, half of those of the third expert.

4. WHEN WILL YOU RECEIVE YOUR COMPENSATION?

Settlement takes place within 5 days of the agreement between us or the enforceable court decision.

5. WHAT ARE THE GENERAL EXCLUSIONS APPLICABLE TO THE POLICY?

EXCLUSIONS COMMON TO ALL COVER

The following are excluded, together with their consequences:

- civil or foreign wars, riots, strikes, popular uprisings, attacks, acts of terrorism and hostage-taking, unless otherwise stipulated in the cover;
- the voluntary participation by an Insured Party in riots or strikes, altercations or assault;

- radioactive decay or any irradiation from a radioactive energy source;
- pollution, natural disasters;
- the use of medicines, drugs, narcotics and similar products not prescribed medically, and alcohol abuse;
- the consequences of Quarantine and/or restrictive measures on freedom of movement decided by a competent authority that could affect the Insured Party or a companion before or during his/her trip;
- any intentional act by you that may result in cover under the policy.

6. SUBROGATION

The Insurer is subrogated, up to the amount of the compensation paid and the benefits provided by it, to the rights and actions of the Insured Party, against any person responsible for the events that motivated its intervention.

When the services provided under the agreement are covered in whole or in part through another company or institution, The Insurer shall be subrogated to the rights and actions of the Insured Parties against this company or institution.

7. PRESCRIPTION

Pursuant to Article L.114-1 of the French Insurance Code, any action arising from this policy shall be time-barred two years from the event giving rise thereto. This period is extended to ten years for death cover, with the beneficiaries' actions being time-barred no later than thirty years from this event.

However, this period shall only run:

- in the event of any concealment, omission or false or inaccurate declaration regarding the risk incurred, from the date on which the Insurer becomes aware thereof;
- in the event of a loss, from the date on which the interested parties became aware of it, if they prove that they were unaware of it until then.

If the Insured Party's action against the Insurer is based on third party recourse, this limitation period shall only run from the day on which this third party brought legal action against the Insured Party or was compensated by the latter.

This limitation period may be interrupted, in accordance with Article L.114-2 of the French Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the person against whom he or she was time barred (Article 2240 of the French Civil Code);
- a legal claim, even in summary proceedings, until the proceedings are terminated. The same applies when it is brought before a court without jurisdiction or when the act of referral to the court is annulled by the effect of a procedural defect (Articles 2241 and 2242 of the French Civil Code). The interruption is null and void if the claimant withdraws his/her claim or allows the proceedings to lapse, or if his/her claim is definitively rejected (Article 2243 of the French Civil Code);
- a protective measure taken pursuant to the French Civil Enforcement Procedures Code or an act of enforcement (Article 2244 of the French Civil Code).

It is reiterated that:

- A summons made to one of the joint and several debtors by a legal action or by an act of enforcement or the recognition by the debtor of the right of the person against whom he or she was time barred interrupts the limitation period against all the others, even against their heirs.
- On the other hand, a summons made to one of the heirs of a joint and several debtor or the recognition of this heir does not interrupt the limitation period with regard to the other co-heirs, even in the event of a mortgage claim, if the obligation is divisible. This summons or recognition only interrupts the limitation period, with regard to the other co-debtors, for the share for which this heir is liable.

To interrupt the limitation period for all, with regard to the other co-debtors, the summons must be made to all the heirs of the deceased debtor or the recognition of all these heirs (Article 2245 of the French Civil Code).

A summons issued to the principal debtor or its recognition interrupts the limitation period against the guarantor (Article 2246 of the French Civil Code).

The limitation period may also be interrupted by:

- the appointment of an expert following a loss;
- the sending of a registered letter with acknowledgement of receipt (sent by the Insurer to the Insured Party with regard to the action for payment of the premium, and sent by the Insured Party to the Insurer with regard to the payment of the claim compensation).

For persons registered on a list of suspected fraudsters, the data concerning them are deleted after the period of five years from the date of registration on this list;
 - in its capacity as Insurer, it is entitled to process data relating to offences, convictions and security measures either at the time the policy is taken out, or during its performance or as part of the management of disputes;

He/she has the right to define instructions regarding the fate of his/her personal data after his/her death. These general or specific directives concern the storage, erasure and communication of his/her data after his/her death.
These rights may be exercised with the Data Protection Officer of the Insurer:
